EXPERIENCE

Shift Lead 2022 - 2025

Baskin Robbins

As a shift lead in Baskin Robbins, I was responsible of supervising a team of employees while working alongside them. My responsibilities also extended to the maintenance of the store ensuring tasks were completed in high standards. After store hours I was in charge of dealing with bank deposits and store maintenance.

Pharmacy Technician 2025 - Present

Walgreens

As a pharmacy technician at Walgreens I am responsible to being absolutely accurate in dispensing medication, providing basic patient care, and working with insurance on a daily basis.

EDUCATION

Design and Graphic Technology 2024 - 2025

Northeast Wisconsin Technical College

During my time in the program I have learned ways to express my creativity in stunning graphics. All while learning industry level programs and learning industry level management. Picking up proper habits to consistently use in a diverse amount of projects.

Print Technology 2024 - 2025

Northeast Wisconsin Technical College

Learning in print has helped me understand not only how to print, but the process that comes along printing. Understanding how graphics need to be saved for the best possible output. Learning the ability to run a variety of printing machines and post printing processes.
